

Bringing Global Dental Education to You

Analog to Digital - Universal Techniques for Esthetics

Course Description:

Learn how direct restorative design techniques translate to better indirect restorative digital outcomes for your CEREC practice. Receive hands-on instruction for placing composite restorations, utilizing simplified shade selection and hands-on techniques. Attendees will learn more about restoration contours, anatomy, surface texture, line angles and occlusion. Your direct restorations will be copied and milled with CEREC in the afternoon. The goal is to provide better esthetics for both direct and, indirect CEREC restorations. The latest 4.5.2 software will also be covered in detail.

Date and Location:

Date: Friday, June 29 2018
Time: 8:30 AM – Registration
 9:00 AM – 4:30 PM Presentation
 (Lunch provided)

 7001 W. 121st Street
 Leawood, KS 66209
CE: 7 CE
Fee: \$600
Presenters: Dr. Schulz
Register: RSVP to Shelly at 913-649-3313

Dr. Doug Schulz

As one of several BETA testers in the world for CEREC milled surgical guides and CEREC software. He is the founder and director of Corporate Lakes Education Center, the Midwest's premier dental education facility. Equipped with a complete surgical suite, it can handle live patient courses as well as didactic ones. He has helped many of the "leaders" in CEREC technology master their skills. He loves helping other clinicians and staff members master this fantastic technology. With 18 years of using these technologies and teaching for more than 14 years, Dr. Schulz has intimate knowledge in how to successfully integrate these into a successful and profitable practice. There isn't much that he hasn't seen when it comes to digital dentistry.

Dr. Doug Schulz is a 1980 graduate of the University of Iowa College of Dentistry. He taught at the College of Dentistry and has completed the curriculum at the L.D. Pankey Institute with a significant background in occlusion and restorative dentistry. Dr. Schulz has run private practices in Prairie Village and Overland Park, Kansas for more than 30 years and loves lecturing and teaching dentists about this fantastic technology. He is a member of the American Dental Association, Kansas Dental Association, Fifth District Dental Society, Chicago Dental Society, and the L.D. Pankey Alumni Association.

Approved PACE Program Provider FAGD/MAGD Credit
