

Practice Management: Hands-on Dental 2 Medical Billing

Corporate Lakes Education Center | Overland Park, KS
Oct 19 - 20, 2018

Description

Learn how to properly bill medical codes and grow your dental practice at this weekend course with renowned speaker and inspiring educator, Christine Taxin. Christine delivers powerful information and techniques for dentists, dental practice managers, and dental team members which will be a source of increased profit for the practice. This interactive course lets all participants have fun while learning – even if you don't enjoy billing. The course includes hands-on practice completing claims forms. Some of the medical procedures you will learn to bill include implants, CBCT scans, periodontal therapy, TMJ, and trauma. Be inspired to bill better in your practice! This course is AGD PACE accredited for 15 CE units.

Objectives

PARTICIPANTS WILL LEARN

- How and why medical billing can be a source of increased profit in the dental practice
- How documentation affects practice finances
- The full implication of documentation on payment
- What you need to know about the changing landscape of dentistry
- Laws that surround billing and compliance
- The “how to” for transforming codes from dental to medical
- How to choose a patient who has a medical necessity
- Shortcuts for verification and benefit information
- How to complete a claim form
- How to use a routing slip with medical codes

Course Instructor: Christine Taxin

A visionary leader in the field of billing and dental wellness, Christine Taxin has educated and inspired teams across the country to increase production, improve collections, and revolutionize their approach to patient health and wellness. Taxin has over 30 years of experience in medical offices, dental offices, and dental education, and she's authored and published 15 detailed manuals on how to navigate medical conditions and medical billing in dental practices. Taxin has been named one of *Dentistry Today's* Top 100 Leaders in Dental Consulting every year since 2013, she is an adjunct professor at the NYU School of Dentistry and is a founding member of the American Academy of Oral and Systemic Health. Her work on medical billing in dental practices has helped countless patients obtain needed, life-changing care within their budgets.
